## Flexible Metal Stair Treads

Our high strength, ADA-compliant Flexible Metal Stair Treads offer maximum enhanced resistance, extended durability and a modern look.

- The tapered square nosing insures a better fit while the smooth rear border allows for easy cleaning.
- The newly designed, heat-treated extruded aluminum construction is long-wearing and durable but is economical and can easily be replaced.
- 1 or 2 color capacity per tread plus glow-in-the-dark surface available.
