Rubber Flooring Adhesive

Rubber Flooring Adhesive is ideal for installing both rubber floor tiles and rubber roll goods over on-grade dry concrete floors, suspended concrete floors, or suspended wood floors. This latex based adhesive can also be used with sanded-back molded rubber stair treads.

Rubber Flooring Adhesive is not recommended in locations where excessive moisture exists.

This adhesive is non-carcinogenic, non-toxic and safe for the environment. It is also freeze-thaw stable.

This ready-to-trowel rubber adhesive is available in 1 gallon and 4 gallon cans and covers 150 SF per gallon.

Item No: STADHRFA
